MSDStrong Program

The following individuals, families and organizations have participated in our MSDStrong program.

We are pleased to report that all 3269 students and 235 faculty / staff have been gifted with MSDStrong Commemorative graduation items. The students have each received an MSDStrong Commemorative Graduation Tassel and the faculty / staff members have each received a MSDStrong Commemorative Pin.

A donation on behalf of all who have participated has been made in the amount of \$1800.00 to the Broward Education Foundation.

Of special note, West Boca Raton Community High School has purchased MSDStrong Commemorative Honor Cords for each of its 400 graduating seniors.

Our community stands in solidarity with the Marjory Stoneman Douglas High School family!
